

Yoca Monitor Arm

Enhance Productivity

Yoca's monitor arm assists working postures, for improved comfort, efficiency and productivity. The smart, durable design maintains a clutter-free workspace, its dynamic single- and dual-arms adjustable for flexible personalization.

Color	Maximum Load	Adjustment Function	Installation	Warranty
Black / White	3-9 kg	Upper Arm 360° , Base 180° / 360°	Clamp Mount / Bolt-Through Mount	5 Years

Powerhouse Tension Adjustment

Yoca's tensile strength supports all monitor weights, with a built-in mechanical spring allowing for optimal ergonomic height adjustment – left or right, up or down.

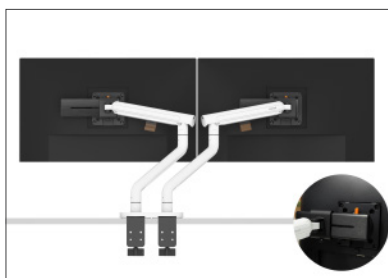

Concealed Cable Management

Concealed routing allows for easy power cable management, protected within its suede-leather encasement. Aesthetics are assured in a tidy surface.

Quick Release Function

Quick-release functionality offers a fast, secure clutch system with easy installation.

Dual Monitor Arm

This ergonomic dual monitor arm provides stable support for dual screens, helping to reduce neck strain through multi-dimensional adjustments. Its innovative slider rail design allows for flexible screen positioning, enhancing both work efficiency and comfort.
