

Entry2 Task chair

Product category	Seating
Certification	Greenguard
LEED contribution	<ul style="list-style-type: none"><li>— Recycled content</li><li>— Regional materials</li><li>— Low-Emitting materials</li></ul>
Environmental facts	<ul style="list-style-type: none"><li>— Up to 99% recyclable</li><li>— Up to 17.5% recycled content</li></ul>
Production location	Dongguan, Guangdong, China

LEED v4.1 Interior Design and Construction (ID+C)

Category	Item	Contribution	Credits
Materials & Resources (MR)	Recycled content	17.5% Pre-consumer : 3% Post-consumer : 16%	0
	Regional material	Manufactured in Dongguan, China. If project location is within 160 km (100 miles), may contribute to MRc5: Regional Materials credit.	1
	Construction and Demolition Waste Management	Knocked down packaging reduces volume and waste. packaging materials include recyclable carton box and PE bag, which may support waste diversion efforts if managed on-site.	1
Indoor Environmental Quality (IEQ)	EQc2: Low-Emitting Materials	GREENGUARD certification ensures compliance with stringent low VOC emissions requirements for furniture and furnishings, supporting achievement of this credit.	1

The information provided in this document is for general reference only and does not constitute a guarantee of LEED certification. Project-specific conditions, regional requirements, and final construction practices may affect actual LEED credit achievement. Clients are advised to consult a LEED-accredited professional for project-specific guidance.
